Flashing through the snow

The day after Christmas, I awoke to find several inches of snow had fallen and I eagerly awoke my husband Tim.

I'd always fancied having my photos taken in the snow and now was my chance. We knew our neighbours were away but were unsure when they were due back.

They were a couple of blokes in their thirties who were renting while they worked in Leeds. I hadn't spoken to them, but I did think one of

them was gorgeous.

I dressed in my open cup bra and just my stockings, suspenders and ankle boots. It was freezing and after several poses I came in to get warm.

Tim poured me a large brandy which I drank in one go. I felt it warm up my body and my clit started to throb as I got horny.

The last shot was of me on my hands and knees and when Tim had finished I made a grab for his flies and unzipped him.

His cock was still soft but after a few seconds of sucking he had a major woody. Suddenly he gasped that someone was coming, but I misheard and prepared for a mouthful of spunk.

I froze when I heard a loud cough and looking round I saw our two neighbours looking at me open-mouthed.

They did not seem too happy at what they saw so I hurried inside leaving Tim to try and stuff his boner

into his jeans.

He stayed outside and tried to apologise to the two blokes and then he came inside

looking stony-faced. I thought maybe the police were getting involved.

Then Tim told me the men wouldn't complain as long as they could watch another photo shoot.

I readily agreed and told Tim I hoped it would go much further.

This seemed to please him very much.

I dressed in my red basque and put on a Christmas hat while Tim went down to fetch the guys. We had a couple of large drinks before I got down near the tree and started to pose while Tim snapped away.

I slipped out of my basque to reveal my big tits and I noticed tell-tale bulges in the blokes' jeans.

My nipples were quite erect, but Tim suggested Shaun and Dean give them a good sucking

to get them even harder.

They were off the settee in a flash and I was soon moaning in pleasure. Tim put a cushion

under my head and as I lay back I felt their hands exploring my pussy.

As Shaun fingered my wet hole, Dean played with my clitty until I came with such force that my screams startled them both.

I was desperate to feel some cock in me and I made a grab for both the fellas' cocks. Shaun's was just how I imagined it - nice and fat and long.

Although Dean's cock was quite long, it was very slim and

He pulled out of me as Shaun gasped and, pulling

They had a short rest before I sucked them both back to life while Tim fucked me slowly doggy-style.

This time, I sucked

A sprightly pensioner was celebrating his 100th birthday, but didn't look a day over 70. When asked what his secret was, he said it was down to taking a long walk in the fresh air every day, since his late teens, even in the rain. His guests were surprised by this, and asked him how he could keep up such regular exercise throughout his elderly years. "Well," he replied, looking around for his other half, "I met my wife when we were both 18. When we became serious about each other, we made a solemn pact that if we ever had a fight, the person who was in the wrong would go and take a long walk outside."

The second woman peered down as he passed them again, "Nor mine! He's much too large!" On his third lap, the last woman had a gander and exclaimed, "Hang on! He's not even a member of this club!"

KIRSTY'S HUSBAND CAN'T BELIEVE WHO'S THE STAR OF HIS LATEST FILTHY PORN FLICK

Graeme to grab a bottle of wine and two glasses, while I hurried into the living room to get everything ready, including lighting all the candles I had placed around earlier.

Wandering in nonchalantly a few minutes later, he suddenly stopped in the doorway, so surprised he nearly dropped the drinks he was carrying and a big grin spread across his face, obviously chuffed at the effort I'd made with the room – and with myself! I had slipped my dress off to reveal the black, lacy peephole bra and knickers, which I now stood in and, coupled with my shiny high heels, I have to admit that I looked pretty fucking hot!

I went over to him and, kissing him softly on the lips, I took the wine glasses from him and led him over to the sofa, which I had covered in a luxuriously furry throw. As usual, when I turned on the DVD player and inserted the disc – bending over sexily, giving him a good eyeful – Graeme became very quiet, his eyes fixed

came from out of shot, "Kirst, you look ridiculously horny! Of course he will!"

Graeme's eyes were absolutely transfixed to the screen, almost like he had forgotten I was there, so I decided to remind him, placing my hand on his crotch. He was already stiff, and, after rubbing it through his trousers for a short while, I took his cock out and took it firmly in my grip.

Meanwhile, on the TV I'd begun to run my fingers along my thighs, over my stomach and up to my tits, as Sally-Ann directed me. As I wanked Graeme, he watched me play with my clit and feel inside my bra with my other hand. My eyes darted between my performance on screen and Graeme's

My husband and I have been using porn DVDs as an extra stimulant for a long time now and over the years since he introduced me to them I've found myself getting more and more into them. I work in Soho near a sex shop, which is highly convenient, and there's nothing more exciting than coming home on a Friday night with a brand new purchase, seeing the anticipation on his face. For his birthday last month, however, I decided to up the ante a little and give him something he wasn't expecting.

We'd been out for a fancy meal – for which I'd worn Graeme's favourite slinky black dress, which shows off my ample boobs and curvy bum – and had plenty of wine, so we were both a bit merry. Slamming the door behind us, I told

on the screen. He looked a bit confused to begin with, as the first image on the screen was a fairly shaky shot of a living room. As he kept watching, I appeared in shot, facing the camera, in a short leather skirt, boots and bra. He turned to me and stuttered, "Err, Kirsty? What's going on? Who's holding the camera?" I simply smiled at him and said, "You'll see! Keep watching..."

On the screen, I sat down on an upright chair and parted my legs to show I wasn't wearing any knickers. "Do you think he's going to like this?" I asked the person holding the camera, and my friend, Sally-Ann's voice

shoving my face over his meat and groaning his approval.

I didn't want him to climax quite yet, as I knew what was coming next. The camera suddenly shook slightly, as I fingered my bumhole and pussy at the same time, craning my neck round and licking my lips towards the lens.

Having fixed the camera on a tripod, Sally-Ann suddenly appeared in the frame, wearing nothing but a strap-on. She gave a little wave and giggled, "Happy birthday, Graeme!" to the camera. I felt Graeme freeze in disbelief.

"Oh my God!" I heard him moan, as I held his dick in my hand, my tongue now flicking his

tip and sloppily licking his length.

Bossily ordering me to turn around so she could fuck me properly, Sally-Ann slowly pushed the dildo deep inside my pussy, pulling my bum cheek back so the camera could see, then took hold of my hair to pull as she rode me. We knew Graeme wasn't going to last long when he watched us together, so I strummed two fingers over my clit as she pummelled away at me, our flesh smacking together to make a satisfyingly loud clapping sound. I watched my facial expression turn to one of total ecstasy as I climaxed, and suddenly my 'real-life' mouth was full of Graeme's creamy gunk, which I gulped down my throat, greedily. I glanced up to see Sally-Ann sliding the rubber shaft slowly in and out of my snatch, as an orgasm rippled through my body.

The DVD ended with me slumped down on my knees, completely spent, as Sally-Ann walked over, still naked and wearing her strap-on, to turn off the camera. I, meanwhile, had never had to drink so much spunk in my life, which can only mean my little home video had exactly the desired effect!

reaction, but he was oblivious – he was transfixed by the screen image, and moaning gently as I tossed him off. The camera moved a little closer as I hooked one finger into my fanny, my fleshy pink lips standing out in the poor focus. Sally-Ann corrected it in time for me to open myself up and poke a second finger inside myself.

Watching myself raise up and grind over my own knuckles was making me wet, and I knew I had to take Graeme in my mouth. I found that if I turned my head to the side at an angle, I could take long, gobbling strokes of his shaft and watch my screen self bend over and insert my little finger into my arse, whilst Sally-Ann got into her role, "Oh yeah, push it in! Perfect – he'll like that!" And there was no denying that he did, as he ran his fingers through my hair, gently

Weekend break fixed sex life

I'm dying to tell Razzle readers about the night I had sex with three men and loved it.

My husband Dean took me on a weekend break to the Cotswolds. On our first night, after a long hot bath, I gave him a treat by dressing in a low top, a short black skirt, stockings and no knickers.

I went down to the bar to

meet him, sat on a chair and crossed my legs slowly so he got a good flash

and his cock popped out of his trousers!

After about 15 minutes of crossing and uncrossing my legs, we finished our drinks and Dean went to get some more. While he was at the bar I noticed two men smiling at me.

had moved closer for a better look. I shifted in my seat and opened my legs directly at them.

I was so excited that my clit was throbbing and my pussy juice was flowing as if I'd wet myself. I told Dean how horny flashing at two strangers had made me.

I smiled back and when I told Dean he told me they probably knew what I was up to, which made me even more horny.

After a few more drinks my dress had ridden up above my stockings and the two guys

He asked me if I wanted them to join us at our table, and I eagerly agreed. When he got the next lot of drinks, he invited the two blokes over for a drink.

Their names were Nick and Steve and they were staying in

the hotel on business. They sat either side of me and as we drank we got along fine, talking mainly about sex.

After a while I felt a hand on my knee. I was so horny I opened my legs wider. The hand moved further up my thigh until the fingers were touching my pussy.

I leaned back a touch and moved onto the edge of the seat. I felt a finger working its way up my cunt as far as it could go. Then I felt a hand moving up my right thigh.

Soon I had three fingers probing my love hole.

We hastily adjourned to our hotel room and as soon as the door was closed Dean had my tits out. Nick sucked on one while Steve sucked the other and fingered my cunt.

I asked Nick to finger me as well. As my legs started to shake I threw my

jerking his spunk all across my back.

Then Steve got into a 69 with me on top. I was sucking him off while he licked my clit. Then I felt Nick enter me from behind.

It was fantastic being fucked and sucked at the same time.

We carried on fucking long into the night. We enjoyed it so much we can't wait to do it again. *Razzle* readers will be the first to know when we do!

Two into one really does go

I would like to tell you all about when my fantasy of having a threesome became a reality.

It all started when my partner and I went out for a meal with one of our friends, Steve. Steve is a lifeguard, so you can imagine what his body is like.

My partner and I go to the gym a lot so he is in good

shape too. The conversation turned to our greatest fantasies. To our surprise, we found we shared a common threesome fantasy.

Soon we were working out where and when we could do it. The boys, randy as fuck, decided it should be that night at our place and I agreed.

Back at our house we had a drink and got going. It was

decided I should be blindfolded and then have to guess which of the guys was doing what to me.

I was taken to the bedroom where they stood me in the middle of the room and stripped me down to my knee-high boots, stockings, thong and bra.

The feel of two pairs of lips kissing me all over was sensational. My bra was

pummelled my pussy from behind.

As I opened my mouth to groan louder a fat cock was plunged into it. I sucked on it greedily, eager for the taste of cum.

My knees weakened as I felt a tongue slurp up and down my pouting pussy lips. I started to cum, at first in just a trickle but then in rivers as the guys did me harder and faster.

When the guy licking me from behind had swallowed his fill he straightened up, held my hips and slid his meaty bell-end up against my

I was being thrown on onto the bed on my back. One of the guys climbed on top of me and started fucking me again.

The other one offered his cock to my lips. I could feel a massive orgasm growing inside me and I squirmed like a mad woman.

The blindfold came free and I looked up to see my partner pumping away at my cunt and Steve with a look of ecstasy on his face as I sucked his hard cock.

Steve shot his cream over my tits and rubbed it in and my body started to convulse as I

mound. With a nudge he was in.

I was being pumped from both ends and loving every minute of it. One of my hands was on one of the guy's balls and the other was resting on the bed to stop me falling over.

They pumped me harder and faster. If my mouth hadn't been so full I would have screamed with pleasure.

The first guy shot his load over my arse. Next thing I knew

climaxed. As I did, my partner shot his hot load into my steaming pussy.

It was a fabulous night and one that I want to repeat in the near future. If lucky readers will let me!

I am still curious about a threesome with another girl. So if there are any females out there who are interested please, please contact me!

Denise & Alex

so as usual I was the last to leave the office that night. As I switched the main lights off, I noticed the lamp on Denise's desk

take to get rid of you?" I joked. She really surprised me then, by quite bluntly, replying, "I was hoping you'd give me a real leaving present, Al, if you know what I mean!" I'd never heard her speak like this before – I think the amount of alcohol she'd consumed that lunchtime may have had something to do with it – and as she added a cheeky wink, my dick stiffened instantly. "Are we going to finish off that kiss from earlier, then? I've been thinking about it all day!" she continued, as she slowly got up from her seat, came over and pushed her ample chest into me. For a split second, I felt like it was some sort of practical joke, but as soon as I felt her tongue snake between my lips and explore my mouth.

Within a matter of seconds, I was leaning backwards over her desk as she seemed to crawl all over me; kissing, grabbing, then ripping open my shirt and her own blouse until our bare flesh was rubbing together. I got a pang of guilt about my girlfriend waiting at home for me – the girlfriend that had been on many a drunken night out with Denise – and asked "Are you sure about this, Denise?" Putting her mouth close to my ear and flicking her tongue sexily around it, she whispered, "Don't worry, Anna will never know – I'm simply going to

As an avid reader of Lucky Fucker myself, and having spent years wondering if I was the unluckiest fucker in the world, I had to write and tell you about the experience I had with a woman who left work recently. She'd been with the company for seven years and was a popular member of staff, so a load of us headed out for a leaving day lunch with her.

Unsurprisingly, it turned out to be quite a boozy affair, with the wine flowing freely as we ate, then a couple of rounds of shots before we left to go back to the office. As Denise was the person who usually handled such things, I was left with the responsibility of sorting out some flowers and a card for her, and when I presented

them to her after the dessert had arrived, I felt it was polite to give her a kiss. I turned my head slightly, aiming for her cheek, but she had other ideas, grabbing and turning my face towards hers and smacking me full on the lips – much to the delight of the rest of my colleagues who whooped their approval. I spent the rest of the day being jipped about Denise's display, but if I'm honest I did enjoy it just a little bit. It's not often I'm the centre of attention, after all!

As designated 'department monitor', I'm in charge of our floor,

yourself to leave us – what'll it

“With her large warm globes wrapped around my shaft, she tit-wanked me off expertly”

then pushed me further back onto the desk and stood up slightly, pushing her large breasts either side of my shaft. With her warm globes wrapped around my cock, she began to move them up and down rhythmically, wanking my cock between them. “This is my speciality,” she purred, and she certainly wasn’t wrong. As my helmet emerged from the top of her cleavage, her tongue was all over it, sending incredible sensations down to

of course, but they were big enough to hide my tool – and I relished the sight of her huge orbs enveloping me. Denise had obviously learned a few little tricks in her time, because it felt amazing when she pushed her chin down with her mouth open, until my bell-end started butting up against her tongue. She slurped at it, and my cock carried her spit back over her chest, making her top bollocks all wet and slippery.

Soon I was pounding in and

give you something to remember me by, if that’s okay with you?” I wasn’t about to argue any further, especially when her soft hands were deftly delving into my boxers, gently scratching my sac with her nails as she lifted my hard prick out.

Kissing me passionately while gently rubbing my cock, I couldn’t help but wonder where the mild-mannered girl I’d been working alongside for all those years had gone. As if she could read my

thoughts, Denise pulled away and, licking her lips sexily, she dropped to her knees and took one long stroke of my length with her tongue. Teasing the tip of my dick while looking up at me with her big, brown eyes, she

the base of my pole. I’d never had a proper tit-wank before, and now realised why so many blokes went on about them!

I wanted to fuck those tits harder and faster, so I gently pushed her off me and manoeuvred her backwards, down onto the office floor. Straddling her stomach, I shoved my cock back between her mammoth mammaries, and pushed them together so they completely engulfed my shaft. Her boobs were the perfect size for this – not that I’m an expert,

out between them and getting a couple of centimetres further into her open mouth each time. After a few more thrusts, my prick slid easily, and deep, into her mouth, with my balls now between her big tits. This just seemed to do it for me, and I felt my nads tighten as they emptied, spraying spunk everywhere and splattering her tits and her face with as much cream as I’ve ever managed. She reached round to grab my bum cheeks and pulled me fully into her mouth, sucking the final drops onto her tongue,

pulling my body in towards hers. I yanked up her skirt and was surprised to feel that she wasn't wearing any knickers. My cock naturally found her juicy snatch and I pushed my helmet inside her hole. Denise gasped and clung onto me with her nails, sending me so wild I couldn't help but thrust my pelvis forward as hard as I could, filling her cunt up to the brim and making her squeal, breathlessly.

Her fingers moved down to grab my arse,

pulling me in even further (although I hadn't reckoned it possible) and she started to moan, "Ohhh, please fuck me, Al! Fuck me!" It caught me off guard for a second as I thought I was fucking her, but I realised what she must mean and began to go at it hammer and tongs – her screaming increasing the harder I went, urging me on. After a few minutes, though, it crossed my mind that I might have a heart attack if I went on like this much longer, so I stopped and told Denise to get on all fours.

I was happy to catch my breath for a moment as she turned over and stuck her bum in the air, and I couldn't help but notice what a nice ass she had. I got in behind her and fed my manhood into her pussy again, but slower this time. We must've been shagging

"She looked so horny lying there, big drops of my gunk adorning her face and boobs"

her lips covered in white cum as it dripped off her chin.

She looked so horny lying there, big droplets of my gunk adorning her boobs and face, that I admit it's a sight I saved to my mental wank bank – and have jacked off to plenty of times since! I must have been staring, as Denise giggled and began to dip her fingers into the cream and lick it off, before rubbing it into her lovely, pale skin.

Watching her smear my jizz into her mounds was sensational, but when she fed one of her hardened nipples into her mouth to suck it clean, my dick suddenly awoke and it twitched, letting me know it was time for round two. I latched my mouth onto her other nip, rolling it around with my tongue then grazing the tender nub with my teeth. Denise groaned, and somehow managed to lock her legs around my back,

like that for only three or four minutes, when we suddenly heard a noise in the corridor at the other end of the room. Jumping like rabbits caught in headlights,

we both grabbed our clothes – her pulling her blouse and knickers on at her desk and me dashing, head down, to the back of the room, and into the

toilets to get some clothes on.

She had gone by the time I had got myself together, which I was quite relieved about. I passed by her desk to turn her lamp off as I left, only to find

that she had left her mobile number scrawled on a notepad for me. I haven't called; I reckon I gave her a pretty good send off, really!

The family that plays together, stays together. Sister act Tiffany and Pinky prowl for men as a pair. "Have we ever had threesomes?" muses PRP's Newcomer of the Year 2013. "It's every man's dream to bang two sisters isn't it? Let's just say we've made some dreams cum true – all over our perky little tits!"

FILM PHWO

IS IT A BIRD? IS IT A PLANE? NO, IT'S
SUPERHERO PORN MOVIES!

Super Size Me!

Spiderman XXX

Released by: Vivid Entertainment

Starring: Brooklyn Lee, Capri Anderson, Sarah Shevon, Tara Lynn Foxx, Ash Hollywood

BEST BITS: Brooklyn Lee (left) is jaw-droppingly gorgeous as Black Widow, dressed in a skin-tight rubber catsuit, and gives Spidey a particularly sloppy blowie, before taking him on – vaginally and anally – and ending up with his spider-goo all over her pretty face. As comic-book geeks ourselves, we particularly enjoyed the part where Mary Jane (played here by Capri Anderson, of Charlie Sheen/hotel drama fame) thanks Spidey for saving her life with a kiss, as in the Hollywood movie – but this is porno, so of course she goes one step further and rewards him with a blow job... upside down!

WORST BITS: None – it's superhero porn gold!

DVD FEATURES: An awesome comic book, BTS, photo gallery, trailers.

Power Girls

Released by: Television X

Starring: Tanya Tate, Syren Sexton, Lolly Badcock, Kerry Louise, Elle Brook, Tammy Lee

BEST BITS: Lolly Badcock – clad in fishnets and PVC bodysuit and thigh boots – is on typically awesome form, fighting the baddies before noshing her co-star off and getting shagged senseless in the process. We particularly appreciated the rather entertaining end to the scene where she uses her “special powers” to shag at high speed, before gladly taking the appropriately named Clark Kent’s superhero juice over her mouth.

WORST BITS: The few short-lived tussles with the kind of ‘robots’ that even 70s’ Dr. Who producers might be a little ashamed of.

DVD FEATURES: Trailers. Poor.

OOOAAAR!

Thor XXX

Released by: Vivid

Starring: Kimberly Kane, Nicole Aniston, Alyssa Branch, Julia Ann

BEST BITS: Given that Kimberly Kane has been around for yonks, you'd still be mistaken in thinking that she's the best thing in this movie. In fact, blonde Nicole Aniston as The Enchantress (below), is. Watching her riding her stunt-cock in

reverse cowgirl made us change our minds about going to pick up a hot geekess at next year's Comicon...

WORST BITS: While there are five scenes that make up this movie, the fourth features Kimberly Kane giving head for just a few minutes before matey shoots his load. Not enough to qualify as an entire scene in our book. Also, Kimberly's main scene seems to be cut short at the end, as does mega-MILF Julia Ann's, which is a crying shame.

DVD FEATURES: A non-sex version of the film, a five-minute behind-the-scenes featurette, cumshot recap, photo gallery, trailers.

Wonder Woman XXX

Released by: Hardcore Parody

Starring: Tori Black, Gracie Glam, Carolyn Reese, Diamond Foxxx

BEST BITS: Diamond Foxxx takes a big load over her bountiful ass after giving some

enthusiastic head, and Gracie Glam is not only hilarious in her opening dialogue, but is also amazing at what she does: riding her stud's cock like there's no tomorrow, and taking a huge amount of spunk over her pretty face.

WORST BITS: The only real cosplay is from Wonder Woman herself, who waits till the very last moment to reveal herself. Considering Tori Black (right) is the star of the show – both the actress and her character – it seems a tad strange that she's only in the last scene. Bit of a waste!

DVD FEATURES: Cumshot recap, gallery, trailers.
